Why Remnant New Zealand

What is a Remnant? 'A remnant is a reference to a small proportion of Gods people at the end of the age who have clung to the unadulterated belief, faith & doctrines of the early Church'

In the natural a remnant is a small carpet end, a leftover, a scrap, what basically unwanted or unused cheap pieces (this is quite the opposite to God's definition for we hold great value in God's eyes)

New Zealand In 2019 God began speaking to us about the Remnant first through the book of Joel then different ministries including Jennifer Le Claire & Jeremy Johnson especially We then taught on it & others caught onto it We looked up Google to find any other ministry that offered support for the national remnant to find none. That's not to say there is none just we didn't find any

Thus we formed REMNANTNZ including this website. We are not exclusive but every much inclusive ALL ARE WELCOME TO BE A PART OF THIS MINISTRY NO MATTER WHAT LABEL (DENOMINATION) YOUR FROM.

Our slogan 'THE CHURCH WITHIN A CHURCH' is simply we are in the Church but were the Church doesn't acknowledge us, we are a part of the whole Body Of Christ

Hebrew Remnant means What's left, what remains, remaining few, what is left of a community after it under goes a catastrophe – that which remains of the original truth

Our Main Scripture is taken from Zephaniah 3:12,13 NASB 'I will leave among you a humble & lowly people & they will take refuge in the Name of the Lord The REMNANT of Israel (Church) will do no wrong & tell no lies nor will a deceitful tongue be found in their mouths for they will feed & lie down with no one to make them tremble' A HOLY PEOPLE
