

Anointing

WHAT IS THE ANOINTING

WHO HAS THE ANOINTING

'It is knowing the supernatural presence of God upon us It is being aware of the presence with us I would describe it as an actual physical experience when we feel the warm/hot presence & glow of God upon our body It's like a signal that God sends to us saying that He is showing His presence to us that He is with us He approves of what we are saying & doing With the anointing of God there is also the power & the healing of God' BILL SUBRITZY

The anointing of the H/S is His actual presence upon us for ministry The purpose of the anointing is to make the supernatural natural The anointing is not something for us to enjoy privately or tell others about it The purpose to minister into others obey Lord serve others in Jesus Name It flows out of us into others

As for you the anointing you have received from him remains within you & you do not need anyone to teach you The fact that you were anointed with the Spirit gives you all the knowledge His teaching is the truth itself & he taught you
1 Jn 2:27
