

FROM ORDINARY TO EXTRAORDINARY

My Journey began when I began in the womb because I didn't want to be born there's some reasons for this 1 My Mum will be carrying me was severally burnt & secondly my Mum & Dad argued a lot Eventually I ws born & I wouldn't drink my Mums milk In those days 1955 they separated Mum from baby & we were in a place called Karatane Hospital My Father told me when I was born that the Doctor said I was lazy & would never amount to anything (word curse)

All though my life my Dad would put me down you see he had small man's syndrome plus he was put down as his brother was No 1 not my Dad At school I didn't have a lot of confidence as I had reading difficulties If I was asked to do something Id freeze & go bright red I was nicknamed corn beef Keith So I found I had to prove myself I did this through sport which I was pretty good at Dad would say did you win & I say the score His reply you must have been playing the blind One thing I didn't handle too well is people making fun of me as I felt a failure even though my parents brought me things (plastic love I call it)

Through our moving to Papua New Guinea I got involved in the Salvation Army where I felt some worth Especially returning to New Zealand, I got involved in Boy Scouts & given leadership roles Then involved in the Church Youth firstly in leadership in time to become the leader id accepted Christ but I don't believe I functioned as a true Christian I got married young & we had 2 children early on It was in this time that I really came into an understanding of my salvation

Around this time, I organized a retreat for the youth group with a school friend of mine taking it Nick Klinkenberg who spoke about the Holy Spirit Not having had any Christian upbringing I had a simple faith & received the Baptism of the Spirit with tongues You must remember this wasn't the one thing so it caused a few issues for the Officer as a group of us were now spirit filled we were having youth prayer meetings & God was moving

A number of things happened it infiltrated the Church, God was using young people to speak one time there was a word for me that I would speak to many (the whose group laughed but God didn't) At a camp for the first time when people laughed at me, I was fine

Opportunities opened up to become a Envoy (a lay minister in Salvation Army) Youth Pastor, Associate Pastor to a Church Planter & PastorMinstered in Fiji & India seen miraculous blind see, Deaf hear, many sved 7 set free Luke 4:18

Jeremiah 1:-15 17

Before I formed you in the womb I knew you and before you were born I consecrated you I appointed you a prophet to the nations then I said Alas Lord God Behold I do not know how to speak for I am only a youth But the Lord said to me Do not say I am a youth because everywhere I send you, you shall go and all that I command you ou shall speak Do not be afraid of them for I am with you to deliver you declares the Lord Then the Lord stretched out His hand & touched my mouth See I have appointed you this day over the nations and over the kingdoms to pluck up & to break down To destroy and to overthrow To build & to plant
