

James 5:14,15 Who amongst you is sick? Sick
those in need of healing is much broader it encompasses the WHOLE PERSON the mental, physical, emotional & spiritually oppressed

Call for elders, leaders Two requirements 1 in calling for them you acknowledge their authority 2
requirement of asking for healing or reaching out Yes God can sovereignly heal people but I note in
looking at Jesus healing ministry Those with a need to be healed came to Jesus Principle here can't help
those who don't want help ie alcoholic

What do they do Anoint with oil – symbol of Holy Spirit (as is heat when I pray) Note it is not the elders
or the oil these are purely instruments that God uses Its up to God to heal He's the healer Not you or me
Faith healer, Spiritualist healers & those that charge for their healing services ALL FALSE

FAITH is required ie mother in law Healed but next day religious beliefs that healing isnt fir today kicked
in She was back to pain & discomfort that shed experienced before her healing Seen extraordinary
miracles blind see ie India (prayed twice for complete healing as Jesus did) dumb speak, legs grow, many
bondages broken, healed emotionally, released fears ie Fiona prayed healed quickly she went in for
operation & out within 2 days unheard of it proves God uses medical profession

Luke 8:43-48 & Mark 5:24-34 paraphrased it combining both accounts (picture large crowd gathering)
A woman had sought physician's advice for 12 years for her condition of regular blood loss, due to her
hemorrhaging They gave her a remedy one after another but nothing changed& she was considered
incurable When she heard the power of Jesus her faith arose, as this was her chance to be healed But
she needed a private audience with Jesus But that wasn't going to happen So she got the idea if I touch
the hem of Jesus garment Id be healed Because of her desperation she pushed & shroved her way
through the crowd When in reach of Jesus garment she touched it, instantly the blood stopped & she
was made whole Her feeling of triumph gave way to fear & trembling when Jesus asked who touched Me
Jesus response wasn't in anger but one of delight at her extreme faith saying to her Daughter you took a
risk & because you did, you are now healed & made whole Go in peace

1 She knew where her healing lay it was in Jesus Shed heard about miracles Shed believed in Him She
was sick of her condition & wanted to be healed She tried medical profession, herbal remedies, spent all
her money (Marks account) all to no avail They couldn't help her in fact shed got worst End of her
resources She was in all intensive purposes a hopeless case Jesus was her only answer, only hope left

2 Problem she was social outcast seen as UNCLEAN she wasn't allowed in temple & public places Felt
inferior as a woman because of her condition

3 She believed if she only could touch Jesus garment shed be healed It wasn't hope but faith Jesus would
been wearing a cloak with 4 tassels which would easier for her to reach

4 Immediately she knew it – the flow of blood dried up Mark 5:29 Jesus knew because power had gone
out of Him He felt a transfer to this woman It's an ordinary touch because people were crowded around
Jesus Disciples didn't understand what had happened

5 She felt she had broke the law by touching Jesus as you were not As a women was not allowed in the Jewish custom to touch a man without their permission She fall before Jesus in humility His reply YOUR FAITH has made you whole go in peace instead of the turmoil of sickness caused her

Wholeness in every part of me physically/emotionally socially & spiritually

READ ISAIAH 53:3-9 I like the Message translation

Womans

blood loss eventually she would die But blood of Jesus brought life to her

THREE THINGS THE CROSS DID FOR US leave them at the Cross CROSS REPLACES OUR

pain/grief/sickness/diseases/oppression/crushed/curses with

JESUS HAS EXPERIENCED EVERYTHING THAT YOU HAVE & WILL EVER IN YOUR LIFE BECAUSE OF HIS DEATH ON THE CROSS Christ is the great physician there is no disease he cannot heal, no sin he cant remove The great physician has never failed to heal all the spiritual diseases of every soul that has come to Him in faith & prayer Exodus 15:26 I will not bring on you any of the diseases I brought on Egypt JEHOVAH RAPHA FOR I AM THE GOD THAT HEALS YOU

2 SIN restored relationship that was severed Adam/Eve James 3:15 talks of forgiveness of in in order to be healed sin blocks God from relationship with Him Romans 3:23cfor ALL have sinned not some & fallen short from Gods saving grace Only acknowledgement that I have sinned against God & I totally turn away from sin REPENT with a whole heart after God TRUE SALVATION

3 DEATH not only was death destroyed at the Cross that by His death he broke the power of he who holds the power (devil has no longer a hold over us) defeated foe We don't need to fear death anymore Hebrews 2:14 This is why Jesus became one of us he died for us destroying the power the devil had over us through death (Contemporary Version)
